A note from our Pastor:

I hope everyone has had a great start to Summer! The Sun is working overtime and the heat is on in more ways than one. I don't know about everyone else, but I thought with school being out that summer was suppose to be a time to slow down and relax? It seems like we are going full speed ahead with no time for putting on the brakes! I do hope, though, that you are able to spend some fun time with the family. For those who will be taking trips and vacationing out of town, I pray for traveling mercies and that your time off from work and away from home will be most enjoyable. Remember to keep all of our church activities and services in your prayers. We need God so much to help us in all of our endeavors and our work for him and the Church. Vacation Bible School will be just beginning as this bulletin is published. I want to give a big thanks in advance to all who are working to make VBS a success, but a sincere offer of gratitude goes to Kim Counter for being the director and organizing it all.

Also, before the next bulletin comes out, we will have already have been to Church Camp. I always enjoy this time of fellowship and fun. As I have done in the past, let me encourage everyone, young and old, to take advantage of this opportunity to become closer as a church family and making memories which will be forever cherished. Another "thank you" in advance goes to Robyn and Amber Gravitt for being in charge of this huge undertaking. Last, but not least, please continue to pray for our revival in July. I know you all understand the value of prayer and how praying makes all the difference, but please keep revival close to your heart and mind. I'm sure I will have more to say about revival in next month's bulletin but did not want to overlook it this month. Please remember that God's love for us is so great. We could never do enough to repay him for his blessings, grace, and mercies which he as already bestowed upon us. However, each one of us can do our own little part and help lead others to Christ. Church, we are living in the latter days, and what an urgency there is to get the Good News of the Gospel out to those who really need to hear that Jesus Saves and is the Answer! There is no time to slack up for "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."(2Peter, 3:9). Remember the sick and shut-ins in our prayers! May God richly bless you all!

I am so blessed to be a part of such a great body of believers!

In Christ's Love,
Randy
