

*Mt. Pisgah Baptist Church
Cumming, Georgia
Established 1881*

March 2009 Pastor Randy Richards
Sunday School 9:45 ~ Worship Service 11:00

It's hard to believe that March has already "blown" in and soon the spring flowers will begin to bloom and grass will start to grow and turn green, again. Winter is almost gone! The planting season is quickly approaching. It isn't but a few weeks until our Spring Revival. Now is a good time to start sowing some spiritual seeds! It really should not amaze us as to why we don't have as many people saved during revivals as in years of old. It takes time and work to grow a garden. Like planting a garden, you cannot expect to reap and harvest green beans or corn, unless you prepare the ground and plant the seed.

In today's church, many want the benefits of a harvest without the efforts of evangelism. It will not happen. Yes, God can save anyone at anytime, but if the Church is going to be revived then we must diligently work "while it is day, because night cometh when no man can work." Church, look all around our area, we have more people living around us now than we have ever had. Many of our neighbors never even darken the doors of any church. The ground is laid out before us. There is some breaking up of the "fallow ground" which needs to be done. We must be willing to "take the ox by the plow" and prepare the ground. We must sow the seed. We must take the seed and plant it in the prepared ground. Church, now more than ever, may we realize the urgency and duty that we have as "garden workers" in the church to "spread and sow" the WORD! Let me remind you what Paul told the Corinthian Church, "I have planted, Apollos watered: but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth are one: and every man shall receive according to his own labour. (1Cor. 3:6-8) God has promised that if we will plant he will give the increase.

Please keep our joint Spring revival with New Harmony in your prayers and help sow some seeds. Also, please be praying for the upcoming months. It will not be long till Vacation Bible School and even our Summer Revival. It's never too early to pray! Keep remembering our sick and shut-ins. I hope all of you who aren't able to be at church, know how much we miss you and are praying for you daily. God bless all of you!

*I Love You,
Randy*
