**A Note From Our Pastor:**

*Hope you all had a great Christmas and now as the New Year rings in, my prayer is that God will bless our faithfulness unto Him. I pray that we as a church are geared up and ready to be busy for the Lord in 2011. I am excited at the opportunities that the New Year holds. I believe that God will honor our efforts to serve him when we serve willingly and obediently. I firmly believe that the "fields are white unto harvest, but the laborers are few." May we resolve in 2011 to be more mindful of the Lord's work and the fact that people need to hear the good news of the Gospel! In retrospect, I am truly thankful for 2010! God blessed us once again with another great year. Even in the midst of all of the trials, sorrows, sicknesses, and struggles that we may have experienced, God never left us nor did he forsake us. He has answered prayers and performed miracles in our little church family.*

*I feel most blessed as a pastor for the church that God has allowed me to try to serve for the past 15 years. I feel very fortunate to have been allowed the opportunity to be a part of and pastor such a wonderful congregation of God's people! I know that I have my faults and shortcomings. I realize that I live a busy life like everyone else does in today's world, but I hope and pray that I never do anything to hurt or let Mt. Pisgah Church down. I hope we are never too busy for our great God! Pisgah has something special, something that is kind of hard to describe to others without experiencing it for yourself. You are a family! You care and support each other. I'm so thankful that I feel like I'm a part of this great family! Let's continue to be this kind of Church in 2011 and reach out to those who are spiritually needy and share the Love of our Lord and Saviour! We need to be willing to "reach the lost at any cost!"*

*We never know what another year may bring, but we know the God that has all things in his hands! He has each of us in his hands! With that knowledge, no matter what tomorrow may bring, we know that we can face it with great boldness and courage in the Lord. So, with the closing of another year and the beginning of a new one, let me thank all of you for everything you do for me and my family, but most of all for your prayers and love!*

**Happy New Year and God Bless!**

**In Christ's Love,  
Randy**
