A Note From Our Pastor:

Hopefully, everyone has adjusted well to the new school year and are getting back into the “swing” of things. As we also begin a new church year, it is my prayer and desire that Mt. Pisgah Church continues to grow in spirit, power, and outreach in our community. I have been so blessed to have been allowed to serve as your pastor for the past 15 years. I truly appreciate the confidence you have placed in me by calling me to serve as your pastor for another year. Your love, support, and kindness that you show to me and my family really means so much. I will never be able to express my heartfelt thanks to you all.

The Car Show was a great success and I really appreciate the way the church always seems to work together and I believe it is evident to others that we have something special at Mt. Pisgah. A big thanks goes out to all those that helped in whatever way, but especially Danny and Linda Bearden who spent a lot of time getting this event organized! As your pastor, I want to personally thank you all for setting a great example in the community.

Church camp is upon us and may we continue to pray for this weekend which has always been a weekend full of fun and spirit-filled services. If you have never attended church camp, if it's not too late, I urge you to consider going. I don't believe you will be disappointed. No matter the age, older or younger, you will have a great time in the Lord and be blessed. If you cannot go, please keep the church camp and those in charge of services in your prayers. I believe God is truly going to bless. Also, remember Danny and Linda as they are also in charge of the church camp. It's a busy time of the year for the Bearden's! But I know God will bless them for their efforts and willingness.

In closing, I anxiously look forward to another year at Mt. Pisgah Church! Please know that my love for each of you is real and great. However, God's love for us is Greater! I pray that we will follow him and continue in his will. If I can ever be of help in any way, please let me know. We all have busy and hectic lives these days, but I want to do my best to be there for you if I'm needed. If you don't know anything else, please know that you are always close to my heart and in my prayers!

Happy Labor Day and be safe!

In Christ's Love,
Randy
